

**LANDWIND**

| Main Parameter                                   |        |  |
|--|--------|--|
| Size (mm)  | Length | 4160   |
|  | Width  | 1810   |
|  | Height | 1640/1670 (with luggage rack)  |
| Wheelbase (mm)                                   |        | 2560   |
| Wheeltread (mm)                                  | front  | 1560   |
|  | rear   | 1560   |
| Fuel tank volume (L)                             |        | 52   |
| GVW (kg)   |        | 1660   |
| curb weight (kg)                                 |        | 1285   |
| Distribution of Axle Load (kg) (empty load (kg)) | front  | 765  |
|  | rear   | 520  |
| Engine   |        | JL478QEE - 1.6L  |
| Max power/ (Kw/rpm)                              |        | 92/6000 - 150CC  |
| Max torque (N·m/rpm)                             |        | 160/4000-5000  |
| Driving model                                    |        | Front-engine, front-wheel drive layout   |
| transmission                                     |        | 4AT (Aisin)  |
| Safety&Security                                  |        | Double circuit, vacuum power, hydraulic control, vacuum power with ABS or ESP, disc brakes |

**Safety & Security**

|                                       |                                 |
|---------------------------------------|---------------------------------|
| ABS+EBD                               | Child-safety Rear Door Locks    |
| ESP                                   | ISO FIX Children Seat Interface |
| Traction control system               | Alarm for Open-door             |
| Emergency Brake Assist System         | Four Door Anti-collision Beams  |
| Hill-start Assist Control System      | Front Safety Belt               |
| Front double airbag                   | Rear Safety Belt                |
| Front side airbag                     | Rear View Camera                |
| Engine electronic anti - theft system | Reversing Radar                 |
| remote key                            | Tire Pressure Monitor           |
| one-button start                      |                                 |
| Keyless entry system                  |                                 |
| Daytime running lamps                 |                                 |
| Height adjustable headlamp            |                                 |
| Energy-absorbing steering column      |                                 |
| driver side central lock              |                                 |
| Anti-Error lock                       |                                 |
| Driving Auto Locking                  |                                 |
